

NEW TEETH
— NOW —[®]

PATIENT PHOTOS

Thomas

Age: 65 | Clermont, FL

Thomas had an upper partial that was difficult to wear, experienced pain and had difficulty chewing. Two zygomatic implants were placed with his full set of implant-supported teeth.

BEFORE

AFTER

Karen

Age: 59 | Landisville, PA

Karen has spent so much time, money and energy on dental work for the last 15 years trying to keep her teeth healthy. But with New Teeth Now, her problems are gone as well as her dental anxiety!

BEFORE

AFTER

Julie

Age: 56 | The Villages, FL

Julie wanted her “smile back” - a natural smile that functioned well. We placed a full mouth of implant-supported teeth with bilateral zygomatic implants.

BEFORE

AFTER

Juan

Age: 35 | Chicago, IL

Juan was born with partial anodontia, and wore a bulky, ill-fitting partial for most of his life. He had zygomatic implants placed. The after photo was taken just a couple hours post-surgery.

BEFORE

AFTER

Bruce

Age: 65 | Kissimmee, FL

Bruce had a mouthful of bad teeth which were painful. He had a full set of implant supported teeth placed with two zygomatic implants. Now, he can eat all the foods he loves!

BEFORE

AFTER

Nancy

Age: 70 | Clearwater, FL

Nancy's main goal was to have a natural smile with great function to improve her abilities. She had full mouth reconstruction with two zygomatic implants.

BEFORE

AFTER

Jeanna

Age: 51 | Atlanta, GA

Jeanna wore a partial for a long time. Quad zygomatic implants were placed with a full set of hybrids. The after photo is 4 days post-op. She experienced no swelling or bruising, and minimal pain.

BEFORE

AFTER

Colleen

Age: 56 | Plant City, FL

Colleen had loose teeth, constant sinus problems, and difficulty chewing. She was ready to make a change with full mouth reconstruction and placement of bilateral zygomas.

BEFORE

AFTER

Amy

Age: 57 | Lakeland, FL

Amy always feared the dentist, but she trusted the staff at New Teeth Now to take care of her. Now, she has no fear and can smile with confidence! She had a full set of implant-supported teeth placed.

BEFORE

AFTER

Karen

Age: 71 | Lake Mary, FL

Karen had sinus problems, ringing in her ears, and periodontal disease. She wanted to eat without pain and have a beautiful smile, which she does!

BEFORE

AFTER

Connor

Age: 22 | Sarasota, FL

After growing up with bad teeth along with an unfortunate car accident, Connor struggled with meeting and talking to new people. But, his implant-supported teeth gave him his confidence back!

BEFORE

AFTER

Katherine

Age: 64 | Orlando, FL

Katherine came to New Teeth Now with a previous bridge and a couple of implants, all in various degrees of failure. The best option for her was to have full mouth reconstruction with bilateral zygomas.

BEFORE

AFTER

Betty

Age: 65 | Homasassa, FL

Betty has a full set of implant-supported teeth. She said, "There's no downside. I would do this all over again! My only regret is that I did not do it sooner!"

BEFORE

AFTER

Lorri-Anne

Age: 58 | Ocala, FL

After doing extensive online research, cancer-survivor Lorri-Anne found that New Teeth Now was the best option for her. She even referred her boyfriend to have the same full mouth implant procedure!

BEFORE

AFTER

William

Age: 62 | Madeira Beach, FL

Before New Teeth Now, William didn't like to smile. He wanted to be comfortable at an upcoming wedding, so we removed his periodontal disease and placed a full set of implant-supported teeth.

BEFORE

AFTER

Indra

Age: 43 | Dover, FL

After years of stained, broken teeth and constant pain, Indra is radiating with confidence! She had 4 implants placed on the top with 4 on the bottom.

BEFORE

AFTER

Audrey

Age: 54 | Hillsville, VA

Audrey spent months researching facilities before she chose New Teeth Now and had full mouth reconstruction. She had lots of pain and wanted to improve her health and appearance, which she did!

BEFORE

AFTER

Todd

Age: 54 | Davenport, FL

Todd came to New Teeth Now after much research for healthy, functional and natural-looking teeth. He was able to achieve that in one day with a full mouth of implant-supported teeth.

BEFORE

AFTER

William

Age: 45 | Winter Haven, FL

This is William. The after photo was taken on the same day of surgery! He went home with a non-removable set of teeth with 3 zygomatic implants.

BEFORE

AFTER

London

Age: 19 | Tampa, FL

London was born with partial anodontia. Most of his existing teeth were baby teeth. He wore a snap-in smile before the procedure. The after photo was taken a week and a half post-surgery!

BEFORE

AFTER

Kim

Age: 65 | Bradenton, FL

Kim made sacrifices all her life, and decided now it was time for her to take care of herself. She had a full set of implant-supported teeth, which gave her full-functionality back plus a boost of confidence!

BEFORE

AFTER

Glenn

Age: 51 | Tampa, FL

Glenn came to us with loose, missing teeth and periodontal disease. He had a full-mouth of implant-supported teeth with one zygomatic implant for bone loss.

BEFORE

AFTER

Kathy

Age: 65 | Palm Coast, FL

Kathy had a bridge and crowns, but her teeth kept failing and she did not want to keep trying with traditional dentistry. She had a full mouth of implant-supported teeth placed with one zygomatic implant.

BEFORE

AFTER

Mark

Age: 70 | Poinciana, FL

Mark had pain, dental anxiety, lack of social interaction, difficulty chewing, missing and broken teeth. He received a full mouth restoration with bilateral zygomas.

BEFORE

AFTER

Sharon

Age: 75 | St. Pete, FL

Sharon wore partial dentures for over 15 years, none that ever fit well. She did not want to use adhesive anymore - so she opted to have the New Teeth Now procedure done.

BEFORE

AFTER

Brenda

Age: 69 | Tampa, FL

Brenda came to New Teeth Now after opinions from other dental implant facilities. She had a full-set of implant-supported teeth placed.

BEFORE

AFTER

Dana

Age: 56 | Lakeland, FL

Before New Teeth Now, Dana wouldn't smile with his teeth, but now he's got no reason not to! He loves how natural his teeth look!

BEFORE

AFTER

Linda

Age: 66 | Homosassa, FL

Linda went from missing, broken teeth and tooth pain to a wonderful smile! She had full mouth reconstruction with bilateral zygomatic implants.

BEFORE

AFTER

Deborah

Age: 64 | Ocean Pines, MD

Deborah had failing bridges and missing teeth. Now she has a full mouth of implant-supported teeth with two zygomas. She can eat the food she really loves, and she loves her smile!

BEFORE

AFTER

Mike

Age: 58 | Kissimmee, FL

Mike had many missing, broken and decayed teeth which led to difficulty chewing. When designing his full set of implant-supported teeth, he opted for a natural look.

BEFORE

AFTER

Lisa

Age: 62 | Ocoee, FL

As Lisa's natural teeth began to breakdown, she had veneers and then crowns. She was tired of putting money into failing conventional dentistry - and wanted a lasting solution. She had a full set of implant-supported teeth and now she's happier than ever!

BEFORE

AFTER

John

Age: 68 | Winter Haven, FL

John came to us with difficulty chewing, pain, and embarrassment, and left with a new smile and a full set of implant-supported teeth with one zygomatic implant for bone loss.

BEFORE

AFTER

Lorraine

Age: 73 | Viera, FL

She used to wear a Snap-On Smile, but it affected her ability to eat properly and pressed onto her gum tissue. Now, she has 90-95% of her natural chewing ability back and smiles with confidence.

BEFORE

AFTER

Ida

Age: 70 | Apollo Beach, FL

Ida had a full set of implant-supported teeth placed after she decided she did not want to keep trying with traditional dentistry. She was so excited to be able to smile again!
